Several UU congregations in the greater Ventura County area are retreating together at the UU Pacific Southwest Service Area's beautiful camp in the San Bernardino Mountains. (www.uucamp.org). This is your opportunity to relax, hike, meditate, play games, enjoy nature, and participate in other activities that may be organized by fellow campers, all in the company of members of neighboring congregations.

In addition to campers, we are looking for volunteers to conduct workshops, children's activities, and other programs that would interest our fellow campers.

Registration includes meals: Friday Dinner - Sunday Grab & Go Lunch. For an extra fee, campers are welcome to come up on Thursday, October 1st, however, no meals will be served until Friday evening.

Fees start at $217 per adult, $142 for youth, $82 for children 3+ yrs.
