**Presented by ELLEN SNORTLAND**

Ellen Snortland is a friend and protege of Dr. Riane Eisler. A human rights activist in her own right, Snortland is an author, journalist and documentary filmmaker. Come join Ms. Snortland as she leads an evening of thought provoking and paradigm shifting conversation.

**About *The Real Wealth of Nations*:** America is teetering on the precipice of economic disaster. Commentators blame deregulated markets and a few bad apples at the top. But these are symptoms of deeper problems. Eminent social scientist and bestselling author Riane Eisler points the way to a sustainable and equitable economy that gives value to caring for our greatest economic assets: people and our natural environment.
