Kristine Olsen

**The Loneliest Burden:
Surviving the Suicide of a Loved One**

A daughter's candid telling of suicide's aftermath

When she was 15 years old Kristine Olsen's father, veteran character actor Don "Red" Barry, took his own life.

Kristine presents an honest and intimate portrait of the effects of his suicide, its aftermath, and the life-changing healing power that she found in participating in suicide survivor support programs.

This real life saga is one of hope...of finding and walking a true path to healing, and an exploration of ways in which survivors of suicide can be better reached and helped.

A discussion will follow where Kristine will share tools and resources to aid people on their own healing journeys.

PROGRAM IS FREE BUT DONATIONS GRATEFULLY ACCEPTED
